# A Student's Prayer

Lord, grant me now an open mind,  
Receptive, eager, quick to learn  
The truths my teachers would impart;  
Give me the wisdom to discern

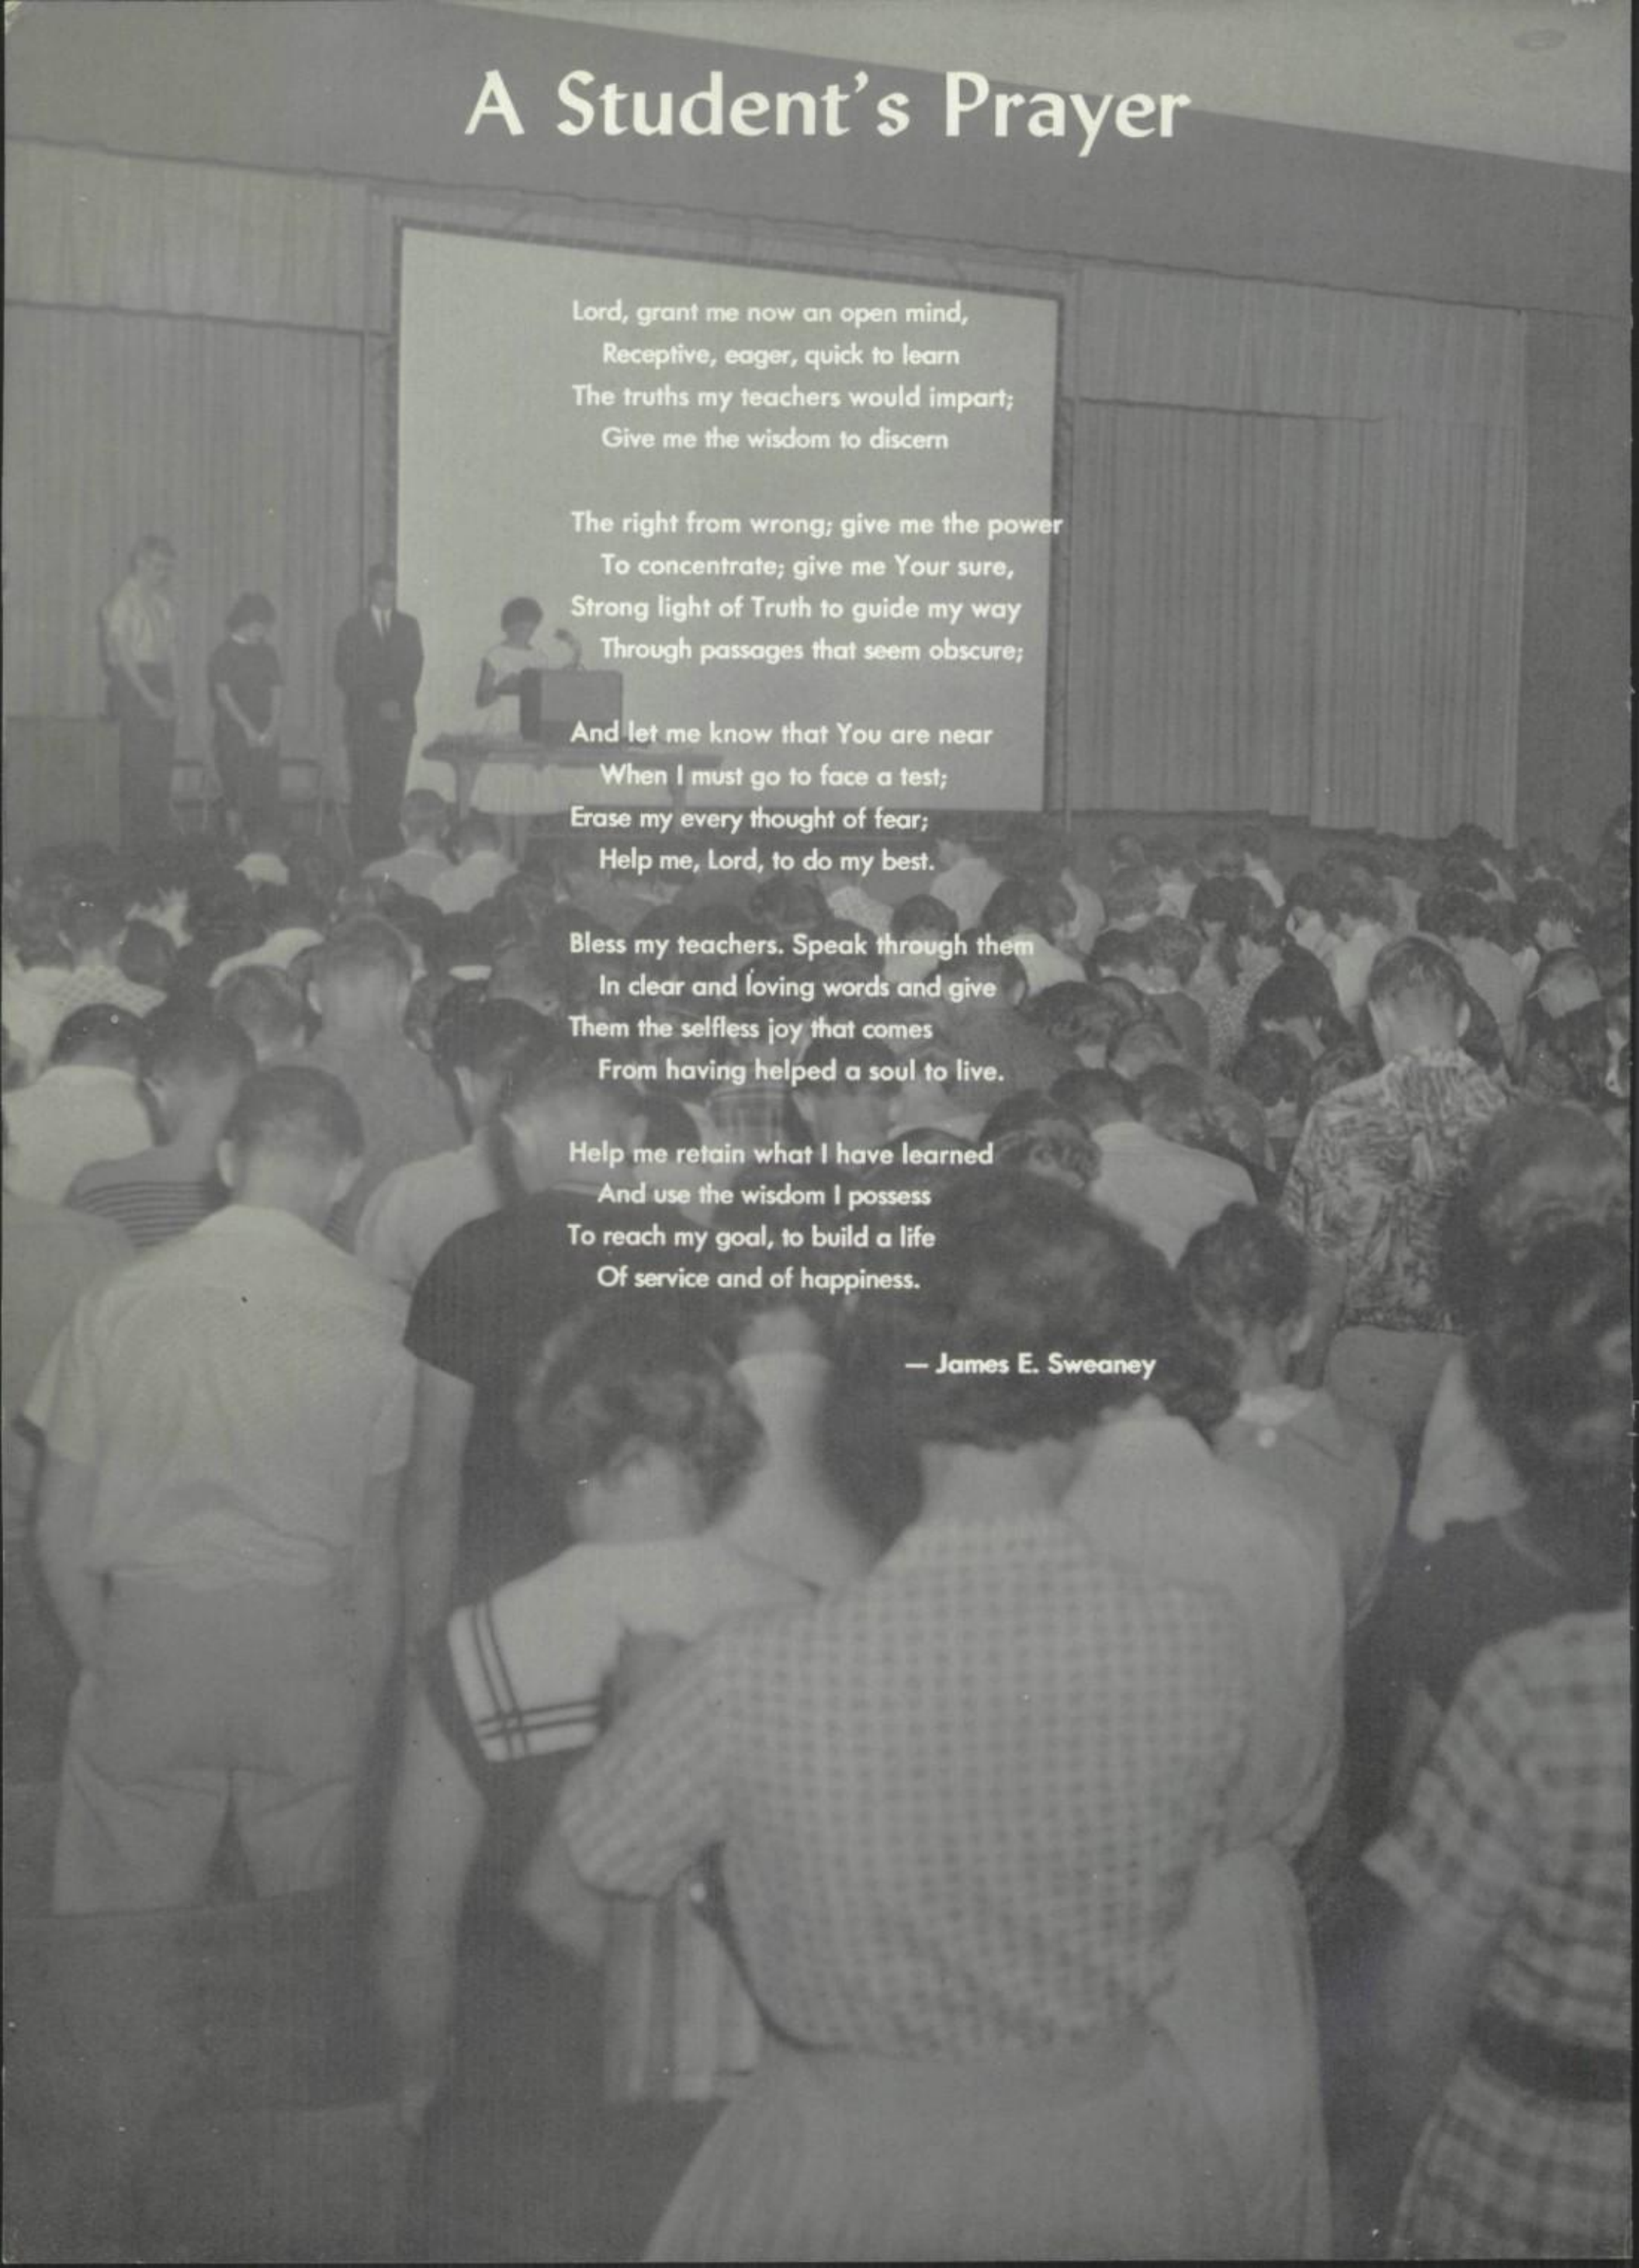

The right from wrong; give me the power  
To concentrate; give me Your sure,  
Strong light of Truth to guide my way  
Through passages that seem obscure;

And let me know that You are near  
When I must go to face a test;  
Erase my every thought of fear;  
Help me, Lord, to do my best.

Bless my teachers. Speak through them  
In clear and loving words and give  
Them the selfless joy that comes  
From having helped a soul to live.

Help me retain what I have learned  
And use the wisdom I possess  
To reach my goal, to build a life  
Of service and of happiness.

— James E. Sweaney

# Foreword

Greeting the reader from the cover of the Gleam is Janus, the two-headed god signifying the theme of this yearbook, "Behind us knowledge . . . before us opportunity." Janus is typical of the motivating force which inspires William Chrisman students. The successful individual realizes learning is to be applied not only in the present, but later in life.

The 1961 Gleam is the pictorial account of students using previous education but ever gaining knowledge through continued opportunities during the school year. It will remain a living memory for students throughout their lives.

*Second)  
It's been fun knowing you  
and knowing you in Alaska  
lots of fun in years to come

# High School Song

Faithful and true hearted,  
Let us cheer our dear "Old High."  
We revere her and defend her,  
And her colors proudly fly;  
We will stand for her united,  
Of her deeds we gladly tell.  
Her colors streaming,  
Glad faces beaming,  
So here's a cheer for her, for her we love so well.

## Chorus

Joyous and ever loyal,  
Let us boost for our "Old High."  
Let every heart ring,  
Let every voice sing,  
There's no time to grieve or sigh;  
It's ever onward, our course pursuing,  
Let defeat ne'er our ardor cool,  
But united, we will boost for her,  
Our own high school.

## II

Honors she has taken,  
On the track and with the ball,  
May she always rank the highest,  
May her colors never fall;  
There's no other that can match her,  
When her team is on the field,  
Her boys the fleetest,  
Her girls the sweetest,  
Then here's a cheer for her, for her who  
ne'er will yield.

Dear Mother,  
I have just received  
your letter of the 15th  
and am glad to hear  
from you. I am well  
and hope this finds  
you the same. I am  
in the land of the  
living and the  
dead.  
Love,  
David

"Not of the sunlight,  
Not of the moonlight,  
Not of the starlight,  
O, young mariner,

Down to the haven,  
Call your companions,  
Launch your vessel  
And crowd your canvas,  
And, ere it vanishes  
O'er the margin,

After it, Follow it,  
Follow the Gleam."

Virginia Ingram, Darlene Smith, Doris Chapple, Vera Athey, Sharon Crawford and Dana Austin, members of the homecoming committee, headed by Donna Boone, contributed to the success of homecoming by decorating.

# Exchange Student

Pictured is Helge while encountering some new experiences. Eating watermelon, graduating, and possessing a locker highlighted his year in America.

Helge Rinholm, commonly known as "Butch" by his classmates, spent a year as William Chrisman's exchange student. Coming from Kristiansand, Norway, Helge found life in America different, yet interesting and pleasant.

In Norway he pursued an active interest in horticulture and botany. However, his future plans include a probable career as a linguist. Helge wants to attend either the University of Oslo or the University of Copenhagen.

Pictured on the previous page are Helge Rinholm, Kay Johnson and Kathleen Carpenter. Kay and Kathleen were exchange students from William Chrisman last year.

Learning a foreign language from Mr. Boyd is a new experience for students of Division II.

## Through many various activities

Gym boys in Mr. McHenry's class find calisthenics a daily health building routine. Exercising builds muscles and develops co-ordination.

Zander practiced cheerleading during seventh hour every day.

Admiring the newly planted shrubbery at Division I are Cheryl Lambert, Phylis Weeks, Jeanne Allen and Jerry Cope. The shrubbery was paid for by various groups of Division I.

## students cultivate new interests

During the fall and spring months Division II gym girls go to the campus for gym activities.

Hurrying between classes is a part of the daily life for the students at Division I.

## Study and fun

The beginning typists of Division II find that "practice makes perfect." This skill will be used

G. Doubledee, T. Zander, V. Hansen, L. Wright, S. Phillips, K. Huhn, and J. Gillespie, the Chrisman cheerleaders, aroused enthusiasm throughout the year at all athletic events.

throughout life in whatever field they enter.

Miss Nora Witthar, Division I chemistry teacher confers with parents at the P.T.A. Back-to-School night.

Many parents took the same seats their teenagers occupied during the day. Mrs. Mary Learnard is shown explaining teaching techniques used in her American history classes.

## Interested parents attend classes

Sociology is a course in which many special, interesting social problems are investigated. Mrs. Doris Ream, who is teaching Sociology at Chrisman for the first time this year, explains her methods of testing to the parents who visited her Tuesday evening, September 22.

Explaining what is included in the English II curriculum and explaining the work of these students in the publications field is Miss Sarah Ellen Campbell.

Discussing the merits of Algebra I to the interested parents is Mrs. Ethel Hook at Division II.

## Back-to-School-Night September 22

Geometry as used in the atomic age is explained by Mr. Norman Cox.

# Administrative

*Guiding Chrisman students in the acquisition of knowledge are administrators and teachers who evidence the values of real scholarship. They help students lay a firm foundation for taking their places as worthwhile citizens by their dedication to guiding the formulation of future leaders' ideas and thoughts.*

*At commencement, seniors receive diplomas which indicate that they have completed twelve years of study. These have provided a wealth of information and many experiences for applying it. Graduates may truly cherish the thoughts, behind us knowledge, before us opportunity.*

# Personnel

The September 13 meeting of the Board of Education included all of the members who are: Mrs. Frank Baldus, member; Donald Slusher, member; Mrs. Floyd Snyder, Sr., president; Ray Heady, member; Miss

Janearl Jones, secretary; Everett McCluhan, member; Harold Smith, vice-president.

## Board of Education

Members of the Board of Education meet in regular session the second Tuesday of each month to transact the regular business of the school district. They often meet in special sessions to consider the many problems of the Independence school system.

This group of individuals give of their time and efforts to plan for a better educational system. The problem which faced them during this year was housing the ever increasing number of students in the Independence School district.

Dr. Guy Carter  
Administrative Assistant

Dr. Guy Carter as administrative assistant aids Dr. Plucker in the supervision of the Independence school district. He is in charge of teaching personnel, transportation and pupil attendance. His other duties are in the areas of school finance, school law, state reports and other statistical information as assigned to him by the superintendent of schools.

Dr. Guy Carter came to Independence in 1954, after receiving his Doctor's Degree in Public School Administration from the University of Missouri. He had previously served as a high school teacher and coach; he was superintendent of the Manfield, Missouri, public schools.

Dr. Carter sincerely believes that school life should be an enjoyable and happy experience for all students.

## The nucleus of the school system

Emory C. Parks  
Director of Instruction

Emory C. Parks, director of instruction, has worked in the Independence School system since 1941. During that time he has served as counselor in the Junior high, as vice-principal of William Chrisman for a year, as principal at Ott Secondary school and as principal of William Chrisman Division II.

In his capacity as director of instruction, Mr. Parks supervises committees who decide upon suitable books for courses, specifies the boundaries of school districts and determines the teaching schedule for each of the schools.

In addition, he confers with teachers to decide upon how deficient and excelling students may be separated to facilitate and development of more active minds in accelerated courses while slower students may be helped in remedial classes. Mr. Parks plans curriculum to fit these needs. When a new subject is introduced in the schools, Mr. Parks is responsible for the progress made.

The doors of opportunity are open to the students of William Chrisman because of the fine background laid by the director of instruction. Mr. Parks' job is to lay the background curriculum for the entire school system.

Dr. O. L. Plucker, Superintendent of Independence school system plans with the Board of Education in directing the school activities and the future for the Independence school district. Dr. Plucker has been a member of the system for one decade. His childhood education was received in Emery, South Dakota. From there he went to Augustine college, the University of South Dakota and the University of Colorado.

He believes that increasing the number of faculty members and improving the facilities goes hand in hand with preparing the student for the coming tasks.

He further believes: "Young men and women launching out beyond the shelter of home and school, today face both the greatest peril and the greatest opportunity of any group in recorded history. It is our sincere hope that the basic knowledge they have gained will serve as a foundation for the vastly expanded learnings needed in years to come. Only as knowledge grows will opportunity, and the ability to grasp it, come to the graduates."

Students at Chrisman can look back at the knowledge they have gained and see before them opportunities.

Dr. O. L. Plucker  
Superintendent

## labors to provide opportunities

Sedulous workers, the administrative secretaries, keep personal records of the students as well as individual bus reports. At the superintendent's office, these women kept the business aspect of a school system in smooth running order.

Mrs. Brown, Mrs. Davis, Mrs. Jones, Mrs. Sharon, and Mrs. Testerman helped greatly in the administrative office. Their skill and proficiency were invaluable to the efficiency of the Independence School System.

Mrs. Louise Davis

Mrs. Dorothy Sharon

Mrs. Betty Testerman

Joseph F. Benson  
Principal, Division I

# Administrators

Joseph F. Benson, Division I principal, is very genuine and sincere in aiding students to complete their high school career. Mr. Benson, an athlete himself, is deeply interested in the school's athletic program which helps join the two divisions in spirit.

Mr. Benson, principal at William Chrisman Division I, has been connected with the Independence school system for eight years. He is a member of the Rotary club.

The ambition and desires of the students is Mr. Benson's wish, and he does everything possible to aid each student in reaching them.

Mrs. Bonnie Allin  
Attendance Secretary

Mrs. Vernita Bendet  
Secretary

Mrs. Marjorie Conus  
Office Manager

Gregory L. Lefever  
Vice-Principal, Division I

Gregory Lefever, vice-principal of Division I, supervises the keeping of attendance records, collecting and classifying data for future use and making of periodic reports. Mr. Lefever is also the principal of the seventh grade housed in the annex.

In his position as vice-principal, Mr. Lefever has had experience in observing the value of knowledge and opportunity. "As has been said so many times in the past few years, this is an era of knowledge. The era in which knowledge is recognized for its practical utilitarian worth; its dollars and cents worth and even its being the prime requisite for our very survival.

"Important as this all may seem, there is something far more valuable — wisdom. Knowledge, of course, supports wisdom but without understanding, judgment and discernment, knowledge can be dangerous.

"What is there to say of opportunity, other than it is limitless, boundless and ever reaching beyond wildest imagination. We can only approach it with the help of all the knowledge we can amass, applied with wisdom."

# set goals

Edward Shelton, Division II principal, attended Northwest Missouri State college, the University of Colorado and the University of Southern California to attain his higher education.

Before coming to Independence he was principal of the Caruthersville, Missouri, high school. Prior to his position as principal of Division II he was principal of the Independence junior high school for two years.

"Every structure must have a foundation on which to build. The stronger the foundation the greater the structure can become. As we have gained knowledge our foundation has been broadened. This enables us to approach the future much better equipped to grasp a variety of opportunities and in this period of tremendous progress, opportunities are unlimited."

Aiding these men are the valuable secretaries who check attendance, write correspondence and help the relations between students and principals at both divisions. Running an efficient office is the responsibility of the secretaries at both divisions. Mrs. Bendet is secretary to Mr. Benson, Mrs. Allin attendance secretary and Mrs. Conus is office manager at Division I, Mrs. Holladay is secretary to Mr. Shelton, and Mrs. Woirhaye is attendance secretary at Division II.

Edward Shelton  
Principal, Division II

Mrs. Mary Holladay  
Secretary

Mrs. Alice Woirhaye  
Attendance Secretary

Leroy Brown  
Vice-Principal, Division II

Mr. Leroy Brown, vice-principal at Division II, entered the education field primarily because he enjoyed working with young people and the challenge they presented. He realizes as do most educated men, that the importance of learning is for tomorrow's life.

"Just as our world today has been influenced by the past, so the world tomorrow will be influenced by the present. We have the opportunity to know and to draw freely on the experiences of the past; the privilege of using this knowledge to live in the present; and the responsibility to make worthwhile contributions to the future. As we learn and make use of the knowledge and wisdom of generations past, we become an important part in shaping generations to come. Is there a greater challenge?"

Mrs. Florence Brush, Spanish teacher at Division I, shows Miss Jane Atchison and Kenneth Cline a Mexican straw horse which is one of the mementoes of her trips to Mexico. This is Miss Atchison's first year of teaching health at Division I. Mr. Cline teaches mechanical drawing.

Division II teachers enjoy an informal conversation in the outer office during their conference hour. Jerry Dinsmore, who teaches science, appears to be taking notes of what Mrs. Carmen Reed and Mrs. Ruby Garrard are telling him. Mrs. Reed teaches mathematics, Mrs. Garrard citizenship. This is Mrs. Reed's first year in the Independence Schools.

Among the people with which the student comes in contact daily are the bus drivers who transport them safely to and from school. If students could take the place of the custodians for just twenty-four hours, they would be more than willing to return to their school work. These diligent workers labor through the night when students are at their ease.

Throughout the years these men have faithfully and relentlessly cleaned the halls to provide a fresher atmosphere in which students learn.

## Their work

Mr. Pack and Mr. McLelland take time off from their duties to admire a poster advertising the speech play.

Shining the glass doors to the front hall trophy cases at Division II are John P. Dooley and Joe Johnson who spend their mornings keeping the halls clean and helping teachers and students with their problems.

Wayne Richardson, Charles McLelland, Raymond King, Albert Isbell and James Stamberger take pride in keeping the Division I halls meticulously clean.

Clyde Pack scrapes the putty from a window pane which he has replaced in the shop building.

gin their afternoon and evening's work of cleaning the Chrisman classrooms.

*Classes of William Chrisman share a unity of purpose by which they are guided toward success, the prime end of attaining knowledge. In their progression from freshman to senior, they are encouraged to pursue their interests. A broad curriculum is offered to tempt the intellectual ability of the students. Each student played an integral part in the story of the 1960-1961 school year. Acquired knowledge, shared experiences and devoted friendship have broadened his horizons.*

Subtracting decimals in Mrs. Maude Lewis' general mathematics class are Larry Dobbins, Joy Holmes, Lorene Pinkerton and Robert Clark. This course includes the basic fundamentals of mathematics.

Linda Bailey, Terry Keaton, Bill Chilson, Rogene Gibbs and Marlena Harley take the Kuder Preference Record to check vocational interests. This is the preliminary step to the development of the vocational unit in citizenship.

Bill Leach, Merle Shafer (science teacher), Patsy Powell, Margaret Runion and Sandy Langevin study the planetarium to show relationships and movements between the sun, earth and moon.

# Building qualities of leadership

The class officers, Doug Craig, Sherry O'Dell, Linda O'Connor and Terri Zander, have informal meeting after school.

Collecting and tabulating money received from Gleam sales at Division II are Sharon Crawford, Portia Murray, and Lynn Meinershagen. These students are members of the sophomore publications class who assist the senior staff in selling subscriptions, gathering material and distributing the paper and yearbook.

Holding the office of vice-president is Doug Craig. He has been active in baseball and basketball. He hopes to further this interest and become a professional baseball player. Doug has served on student council this year as a member of the elections committee; he helped with the mock elections.

Serving as president of the sophomore class was Sherry O'Dell. Sherry is also president of the Division II student council, president of the third hour general business class and an active member of Pep club. To attend Central Missouri State college to prepare for a career as a seventh grade math teacher is her plan for the future.

Linda O'Connor, secretary of the sophomore class, was active in Pep club and girls' choir. She served as publicity chairman for the choir this year. Her future ambition is to attend the University of Missouri.

Elected treasurer of the sophomore class was Terri Zander. Terri has also served as a cheerleader this year, Pep club member, president of the Division II Spanish club and president of her homeroom. She is uncertain about her choice of college but wants to be a social service worker.

# Leaders, elected by their classmates

Serving as president of the senior class for 1961 is Willard Arnold. He is a student council representative and a member of Future Teachers of America. Since Willard is co-captain of the football team and active in sports, he is also the vice-president of C club. His favorite classes are Spanish and sociology. His college plans are to attend Maryville State college.

David Taggart is serving as vice-president. He is a member of C club and plays second string varsity football. David plans to attend Central Missouri State college. His favorite classes this year are psychology and speech.

Chosen for secretary this year was Charlotte Dieckman. She was a student council alternate, member of Future Teachers of America and the As-You-Like-It Dramatic society. Charlotte also serves as secretary in the National Thespian society. Charlotte's future plans are to attend Central Missouri State college and major in English or American literature.

Janice Gillespie served as treasurer of the 1961 graduating class. She has been an active cheerleader for the past four years in high school. In her senior year she was head cheerleader. Janice reigned over the homecoming game as queen. Janice has no definite plans for the future.

*Courses pursued have been instrumental in developing the students' minds. The variety of courses offered and the variety of environments for learning provided have supplied the necessary diversity of interests for forming a secure background for future learning. Each subject has contributed to the learner's store of knowledge—knowledge leading to opportunity. The offering of a comprehensive range of courses and the provision of up-to-date facilities and equipment serve to better prepare every one for his life role.*

*Chrisman is meeting the challenge of of the present age by presenting a wide variety of subject matter.*

## Providing very valuable leadership

Excelling in precision and timing stand as the key to a good rifle team. Members of the William Chrisman Army Reserved Officers' Training Corps Rifle Team accomplish this. In the regular shooting practices, in which all cadets participate, boys are observed and their marksmanship appraised.

The rifle team does not merely strive for perfection; they have ample opportunity to compare their own marksmanship to that of army ROTC cadets of other schools. Riflemen shoot two shoulder to shoulder matches with all Kansas City high schools having rifle teams and two with Central high school of St. Joseph. Tournaments in which the cadets participated were: the Kansas State University Turkey Shoot; David Collier Invitational Tournament at Joplin, Missouri; Little Camp Perry Invitational Matches at Kemper Military Academy in Boonville, Missouri. All these experiences develop good character and encourage perseverance in the participating boys.

Reserve Officers' Training Corps maintains high precision and accuracy in drilling and marching. Boys especially interested in drilling may try out for the team and qualified cadets are then selected to be on the Pathfinders Drill team.

The team was honored with invitations to march in the Veterans' Day parade and the annual Halloween parade of Independence. They performed for many groups and occasions suitable for such exhibitions. The Pathfinders compose the Eleventh United States Army Corps Commander Honor Guard. Another activity of the team was competition in the University of Missouri State Drill Meet.

The simple microscope is duly observed as George Parsons, Dannelta Austin, Paul Kilpatrick and Karen Becker prepare slides of algae — composed pond water in third hour biology.

David Allen, Larry Haddock and George Bonabhan study the techniques of the microscope as they observe microorganisms through a powerful lens machine.

# Practical training

Nancy Brown and Marnita Crookston of Mrs. Nelvada Dean's sixth hour home economics class are preparing a dish of baked apples. Preparation of various dishes enables them to learn the fundamentals of good cooking.

Fifth hour typing class of Miss Jessie Page are practicing the mechanics and general usages of the typewriter by daily practice.

Students' minds wander in the brief respite between classes. That five minutes is their own, and they use it to the utmost. Walking in their midst, random snatches of conversation can be heard

## Chrisman halls harbor many memories

Corridors are important in student life. They are continuous sign boards which keep the students acquainted with "what's new" at school. Dances and games are announced and other signs are simply spirit boosters.

Sally Hart, Linda Willard and Sherry Willard were hostesses at the "Back-to-School Night" sponsored by the Parent Teacher Association September 22 at Division I. The girls served refreshments to the parents and teachers. Linda and Sherry's parents, Mr. and Mrs. Wayne Willard, were the chairmen of the hospitality committee.

Sharon Gibson discusses advanced rules of grammar with James Ollar, Phylis Weeks and Richard Kramer in Miss Verna Ott's second hour English IV class. Students in English IV classes use the grammar rules often as they write many papers in preparation for college English.

## Classwork strengthens capabilities —

Juniors, Dannelta Austin, Dinah Highley, Judy Magee, Diane Sharon and Pat Matzl longingly admire the senior announcement display in the front hall trophy case. They dream of the day a year hence when they will be placing their orders for cards, announcements, etc.

Charlene Wasem, Jewell Himes, Joe Livesay, Sharon Piercey, Patricia Hughes, Teddy Irving and Herbert Massey compare notes and study magazines during Mrs. Pallas Cockefair's seventh hour English II class. This was one phase of the unit concerning magazines.

Examining a model of an eye in health class are Catherine Johnson, Nancy Lusso, Rilla Beal, Billye Kubak and Sara Williams. Health, a required subject, is taught to girls at Division II by Mrs. Roberta Stokovatz.

## and widens horizons

Freshman English students study the "Rime of the Ancient Mariner" during the year. Mrs. Lola Stanley's English classes prepared a map showing the route of the Mariner, Michael Northcraft, Virginia Sharp, Valeria Williams and Charles Cornett trace the route for their class.

Marilou Clifford measures the hemline of Fredna King's skirt as Mary Jane Cahoon shows Fredna the pattern for a blouse. Sharon Conyers and Melvera Clifford are busy sewing their skirts. These girls are members of Mrs. Nelvada Dean's home economics classes.

## Home economics and speech encourage

Kathy Huller, Lynette Leek, Carolyn Dalton, Linda Livesay, Barbara Casey and Judy Sanders are in the first stages of dressmaking as they cut out patterns and materials. Dressmaking is an integral part of the home economics course. Mrs. Mary Robinson, instructor, gives helpful advice during the procedure.

Learning to prepare and serve a nourishing breakfast is another important phase of Home Economics I. Mrs. Le Anna Tedrick's sixth hour class enjoys this unit as Carolyn Caldwell and Janis Bittiker get the dishes ready for serving the meal. Ronna O'Hara and Betty Maiden are putting the coffee cake in the oven as Linda Wright and Barbara Still stir the cooking cereal.

Virginia Ingram, Janell Ewing and Linda Darling separate office grade cards for probable candidates for the National Honor society. Cards of higher ranking students are checked carefully after the first semester grades have been recorded to select the upper one-third of the senior class and the upper ten percent of the junior class. These names are submitted to the faculty for ratings in the categories of character, leadership and service.

## are instilled with valor by coaches

Laboring diligently, the coaches instilled team spirit and sportsmanship. They aspired to make football a character building experience for the participating boys. Long hours were expended discussing strategy in chalk talks and perfecting these plays in practice before execution in a game. Their efforts were rewarded in the final triumph of winning the Pony Express Championship.

Following the tie with Raytown, Head Coach Norman James received the Coach of the Week award. Later in the year he was distinguished by the Independence Examiner Coach of the Year award. The superior training both he and his assistant coaches did instructing the boys in the finer points of football tactics was evident in the outstanding seasonal results.

# Name Mr. School Spirit

Annually, three senior boys are nominated by the Pep club as outstanding representatives of both their class and William Chrisman. These nominees must have active participation and interest in school activities, a congenial personality and deep interest in all school functions, as well as being cooperative with their instructors and families. Nominees this year were Joe Higgins, John Witherspoon and Ronnie Wright. The student body elected Ronnie Wright as its representative of Chrisman spirit.

William Chrisman's student council is an organization which enables high school students to gain experience in student government. Each student council officer works with a group of representatives on Beartown, Finance, Assemblies, Elections and Activities committees. Student council held a faculty breakfast honoring the

new teachers Tuesday, August 30, in the Division I cafeteria at 8 a.m. A student council project at Division I for the past two years has been to raise money for shrubbery around the school. This year it was completed.

The Beartown committee plans the decorations, music, and posters for all the Beartowns of the school year. Beartowns are an important part of the students' activities. The members are Linda Glispey (chairman), Sharon Hininger, Jeanne Braxdale, Cissy Jett and Judy Bryant in the front row; Ron Schuler, Jane Bracht, Pat Himes, Sharon Conyers and Denny Hilker in the back row.

Chairman of the Elections committee is Sherri Minton. The Elections committee is in charge of all elections at Division I. The committee consists of Phyllis Sandidge, Mike Soper, Peggy Mulhearn, Mary Pat McConnell, Evelyn Fry and Sherri Minton in the front row; Helge Rinholm, Ed Mitchell and Bill Adams in the back row.

In charge of all the financial activities of the student council is the Finance committee. The committee consists of Gay Doubleddee, Sherri Allen (chairman), and Marnita Crookston in the front row; Richard Brown, Tom Linnenbrink, Beverly Waters, Mary K. Campbell in the back row. Carol Luther was absent.

The activities committee is in charge of advertising the sports events and other activities of the student council. The members are Gail Elliott (chairman), Joyce Gosney, Nancy Beeney, Mary Jo Campbell in the front row; David Hickerson, Scott Turrentine and Tom Smelser in the back row. Charles Martin was absent.

Planning of all assemblies of the school year is the responsibility of the Assembly committee. Working on this committee is Jan Coble, Jeff Arnold (chairman), Jean Dunfee, Cynthia Frick, Jim Gamble and Cheryl Lambert.

## Student council busy with activities

Guiding their fellow classmates, the representatives and officers of the Division II student council have been busy with many and various duties during the course of the school year. Leading the student assemblage as well as their organization were: president, Sherry O'Dell; vice-president, Vaughn North; secretary, Patti Allen; treasurer, Felicia Soper; parliamentarian, Karen Huhn. The vice-president last summer attended the Student Council Workshop held in Columbia, Missouri.

Activities in which the governing body participated were: a party for new students, election of class officers, the mock general election for the student body, bundle day, the adoption of indigent families by homerooms at Christmas, and the spring election of student council officers, to mention a few. Representatives served the Parent-Teacher Association by ushering for special meetings and back-to-school night.

Assembly programs, assignment of impecunious families to homerooms and the decoration of display cases were all tasks allocated to the student council under the sponsorship of Mrs. Pallas Cockefair and David Yahning, counselor.

Studying a Student Council Handbook to learn more about the efficient operation of their student council are: Sherry O'Dell, Pat Allen, Karen Huhn, Vaughn North and Felicia Soper.

## Fun lends interest to study of French

French club urges study of the French language and people in addition to the regular academic requirements. To supplement speaking, reading and writing the language as taught in class, the French club purchased records to be used by French students to gain the advantage of hearing French as it is spoken in homeland. To read everyday French, rather than the exemplary speech of the textbook, the organization subscribed to **France Amerique**, a French newspaper.

1960-61 officers: president, John Witherspoon; vice-president, Janet Dollins; secretary, Mary Plucker; treasurer Division I, Pat Rowe; treasurer Division II, Steve Fadler; reporter, Sharon Gibson, encouraged interest in French in the student body with their annual dance and contributions to the foreign exchange program. In place of the December meeting a dinner was held for which the students and Miss Verda Riller, sponsor, prepared the wonderful French menu.

# Learn Spanish customs and culture

Spanish club officers demonstrate their knowledge of Spanish musical instruments by playing for special occasions.

In order to become a member of the Spanish club at Division II, one must maintain an "S" average as a freshman or be a second year Spanish student. This year the activities of the club have consisted of group singing, guest speakers, and the study of the Spanish speaking peoples.

As a traditional project, a spring Fiesta was held and a trip to Guadalupe Center was taken. Both gave the students a better understanding of the Spanish people.

The officers for the past year were: president, Terri Zander; vice-president, Lynda Hall and David Epperson; secretary, Karen Heckman; and treasurer, Margaret Porter. Mr. Robert Boyd, Spanish teacher, served as sponsor of the club.

## Includes academic and civic projects

Helge Rinholm, Judy Paxton, Claudia Bushey and Linda Logeman discuss customs of old Spain.

One of the more popular extracurricular activities in William Chrisman is the Spanish club, sponsored by Mrs. Florence Brush. Students may participate in the club's activities if they have taken or are presently taking a course in Spanish.

At Thanksgiving the organization provided four elderly people with a festive repast for a pleasurable Thanksgiving dinner. The club held an Around the World dinner and chili supper at a later date.

During the summer the club extends its program to encompass the entire community by making excursions to Spanish speaking countries. Invaluable to teachers and students alike, it has served to broaden horizons and to utilize their knowledge of the Spanish language.

Library assistants are examining reference materials to prepare to serve others more efficiently.

At Division II students first become acquainted with basic library procedure. They soon learn to help other, less familiar students, to use library facilities efficiently. Evident to visitors, members of the Division II Library club endeavor to make this vital place of study more pleasant and convenient for use.

An outstanding characteristic of these diligent workers is their devotion to duty, the cheerfulness with which even disagreeable tasks are performed, and the accuracy of their work, considering the quantity of books handled and the age of the assistants.

## Their assistance aids in research

At William Chrisman Division I, the Library club meets monthly. Its organization is stabilized at these meetings. During the remainder of the month the club's most immediate task is helping students to use the library efficiently. Services rendered are the shelving of books, arranging of periodicals and research material, preparing new books for use and the checking in and out of books.

Assisting the librarian, Mrs. Piper, students freely offer one hour of each school day. They assist students and faculty in finding material concerning current affairs.

Obtaining new ideas from a Red Cross Youth Journal are: Pat Peterson, David Epperson, Gloria Bain, Janet Sifford and Jim DeWeese.

Students of Division II displayed a definite interest in the needs of others by electing and supporting a representative body of the Junior Red Cross. Their unselfish attitude strengthened the purpose of Junior Red Cross. Officers were elected to direct the organization: president, Gloria Bain; vice-president, David Epperson; secretary, Lavina Khoelly; treasurer, Laura Heinlein.

Activities of the club were many and varied; among them were making nut cups for Valentines, making an album for foreign exchange, and sending a delegation to the local training center. With Division I, the members constructed a float for the local Halloween Merchants' parade. The float took second prize in its category. The foremost concern of the Junior Red Cross is service to the needy and aid to the unfortunate. Total collaboration of its members made fulfillment of their goal feasible.

## international insight and cogency

Admiring the trophy won in the Halloween parade by the club are: Beverly Easton, Sharon Kerr, Steve Mitchell, Kathy Carpenter and Nancy Brown.

Members of Junior Red Cross at Division I strived throughout the year to present their program to the students.

Representatives from each homeroom worked in unity in helping less fortunate people the world over. The group elected four of their number to officiate during the year. They were: president, Nancy Brown; vice-president, Steve Mitchell; secretary-reporter, Sharon Kerr; and treasurer-parliamentarian, Kathy Carpenter.

Junior Red Cross is set apart from other organizations in that its activities are for the benefit of others, rather than their own enjoyment. All participants had an interest in world affairs and local events.

In the course of the year, the representatives drew the entire student body into services by filling Christmas stockings for the Veterans' Hospitals, the March enrollment drive and in making and filling the school gift chest.

Putting up posters for the Art club bake sale are: Mary Plucker, Larry Cleveland, Natalie Graff and Karen Lightfoot.

Under the sponsorship of Mrs. Janice Malott the Division II Art club has gained a renewed vigor in the pursuit of aesthetic fulfillment. Following this line of pursuit the Art club travelled to the Art Institute of the University of Kansas in Lawrence, Kansas.

Officiating for the organization were: president, Larry Pitts; vice-president, Karen Lightfoot; secretary, Mary Plucker; treasurer, Natalie Graff; parliamentarian, Valerie Williams; sergeant-at-arms, Larry Cleveland; and reporter, Peggy Lynch. They expedited business-like and efficient meetings and redrafted the old constitution.

Each year the building at William Chrisman Division I has taken on a Christmas atmosphere when the Art club has decorated the halls and the windows. However, this is only one of the many activities of Art club. Another activity which has been a year round project is using the work of the art classes for display in show cases throughout the school. Art club often contributes posters for dances, plays and after school activities.

As a money-making project the organization sponsors an annual dance for the student body, held in the Division I gym. They also sell Chrisman pennants and make field trips to the University of Kansas and Warrensburg art departments.

Guiding all of their projects is Mrs. Eichhorn, art teacher. For student leadership their officers are: president Linda Glispey; vice-president, John Witherspoon; secretary, Doris Chapple; treasurer, Joye Williams; and reporter, John Van Camp.

"M" club provides opportunity for athletically inclined girls to improve their skills. Throughout the year girls toiled faithfully to gain proficiency in sportsdays held in competition with other schools. Their efforts were well rewarded as they placed first at the Shawnee Mission North volleyball sportsday; the club took first place in tennis and the "B" team volleyball at the Warrensburg sportsday. A class "B" softball team managed by Miss Wilson placed second in the greater Kansas City class "B" tournament.

The club enjoyed many socials including an initiation party at Lake Lotawana and a hamburger fry at Miss Wilson's home. The organization planned and held a banquet honoring its seniors. "M" club seniors gave an hour each day as student assistants for the girls' gym classes. A maximum of twelve senior club members served as student assistants for physical education classes.

Discussing new ideas for the club are: M. McCart, D. Garrison, W. Arnold, T. Haas.

Boys who excel in the field of sports form the ranks of membership in "C" club. Superior athletes who received varsity letters in any of the major sports, football, basketball or track, were honored by "C" club.

The main concern of the club was to further the athletic program in William Chrisman and promote better attendance of games among the student body. The organization received money from ticket sales, a club sponsored dance and the annual "C" club-Faculty basketball game.

Finances of the club are dispersed in various ways. The principal expenditure of each year is the purchasing of new uniforms and up-to-date equipment for the teams' use. "C" club also presented Helge Rinholm, foreign exchange student, with an activity pass for the year. This year funds have been used to purchase a camera for accurate coverage of the games.

## As-You-Like-It Dramatic Society

The officers are putting the finishing touches on the sponsor's gift for her help during the year. They are Gail Elliott, Carmen Duncan, Pat Rowe and Donna Boone.

Sponsored by Mrs. Phyllis Moore, the As-You-Like-It Dramatic society's varied activities for the year have included: a Christmas party for underprivileged children at Benton elementary school, an all society coke party for prospective members, the formal initiation of the pledges, participation in all SHAN activities, a moneymaking spaghetti dinner, the Mother-Daughter tea and the Father-Daughter banquet and the Senior banquet.

Serving as first semester officers are: president, Pat Rowe; vice-president, Donna Boone; secretary, Carmen Duncan; treasurer, Mary Jo Campbell; reporter, Nancy Saunders; parliamentary-chaplain, Gail Elliott.

Indicative of community interest, girls of the As-You Like-It Dramatic society helped at the Cerebral Palsy Day Care Center during the summer. In recognition of this work the society was presented with a citation and the participating girls with individual awards.

Accumulating the most points in the SHAN contest, the As-You-Like-It Dramatic society was presented with the SHAN trophy.

Forty-five Chrisman girls who were interested in service to the community and desirous of the wholesome experience of close association with girls of similar interests formed the Shakespearean Literary society. A Christmas party for underprivileged children presented a fine example of this concern. Other activities in which the society engaged were: a bake sale, the writing of the Shakespearean Literary society senior prophecy for the benefit of alumnae, a Mother-Daughter tea, and Junior-Senior banquet.

The formal induction of new officers provided the society with the following slate of first-semester officers: president, Sherri Minton; vice-president, Gerry Dugger; secretary, Sherry Mesle; treasurer, Kathy Carpenter; Reporter, Shirley Graff, and parliamentarian-chaplain, Patti Roach.

As participants in the SHAN organization, members of the society attended the Christmas and spring SHAN dance. An integral part of the activities of the organization are the literary contests which precede each SHAN dance. In the 1960 Christmas competition, Shakespearean members earned several of the prizes offered, including all three awards in the poetry category. The organization serves to strengthen the girls' cultural interests.

Kay Johnson, Sherri Minton, and Kathy Carpenter, officers for the first semester, presented Helge Rinholm with an honorary membership in the Shakespearean society.

## Seniors acquire occupational skills

Offering its members the opportunity to earn money to further their education while obtaining valuable job experience is the Cooperative Occupational Education club at William Chrisman.

Working in close cooperation with other clubs, members have been sent to the Delegates meeting in Jefferson City, district contests, and state contests. These clubs have facilitated closer cooperation between coordinators and officers through meetings. One of the closing activities of the year is the Employer-Employee banquet.

The officers for this year have been: president, John Dobson; vice-president first hour, Jerry Hess; vice-president second hour, Ted Jones; vice-president third hour, Charles Martin; secretary, Karol Street; treasurer, Donna Byers; reporter, Terry Scanlan.

C. O. E. officers are holding an executive meeting: John Dobson, Karol Street, Terry Scanlan, Mr. Smith, Ted Jones, Jerry Hess, Charles Martin.

Long winded Pep clubbers prepare for a money making project.

With a total increase from one hundred to one hundred-twenty members, the interests of Pep club also expanded. New uniforms were purchased for the cheerleaders — blue skirts and gold sweaters. Additional uniforms were ordered to accommodate the expansion of the club. Uniforms for the yell leaders, a new innovation to the wearers of the blue and gold, were designed to utilize culottes of former cheerleaders. This group, outstanding at William Chrisman, was sponsored by Miss Dorothy Bierbaum at Division one, with aid from Miss Patricia Snyder at Division II. Phylis Weeks led the entire organization as Pep club president. Each of the other posts were held by two girls, for the two division respectively. At Division I the officers were: vice-president, Donna Boone; secretary, Gail Elliott; treasurer, Sherri Allen; parliamentarian, Nancy Brown; and reporter-historian, Judy Travestino. Holding these offices at Division II were: vice-president, Dana Austin; secretary, Judy Gosney; treasurer, Ann Mesle; parliamentarian, Charlene Wasem; and reporter-historian, Sally Fullerton.

Money was raised through several projects, the principal one being a magazine sale. This was favored because it is a business which grows each year as customer lists are increased. Balloon pennants were sold at football games for a small profit, and both football and basketball seasons brought concessions money.

Last summer money was spent to send the cheerleaders, accompanied by Miss Bierbaum, to Norman, Oklahoma, to a cheerleading clinic. This program is meant to provide experience for the cheerleaders and to develop their skills to a higher degree.

As the backbone of athletic school spirit, Pep club maintains a position as the only traveling Pep club in the area. They planned and carried out football and basketball homecomings; the election of a Mr. School Spirit, the symbol of school spirit personified in a senior boy who incites spirit of the finest quality. For these special games, the Pep club drill team marched.

## Acquire useful commercial techniques

Carol Allish, vice-president of the club, dictates recommendations for the next meeting to Barbara McFadden and Ronnie Beal.

Providing an opportunity for students to become more closely acquainted with various phases of the business world suggested the purpose of the William Chrisman Commercial club. Any junior or senior student having an interest in the commercial field was eligible for membership.

The officers of the club during the 1960-61 school year were: president, Ronnie Kay Beal; vice-president, Carol Allish; secretary, Barbara McFadden; treasurer, Patsy Gosney; and reporter, Sherri Clifton. Miss Jessie Page, typewriting instructor sponsored the organization.

Functions of the club included: a speech on commercial law opportunities presented by a prominent Independence attorney; a trip to the Burroughs Corporation, manufacturer of commercial machines; the annual candy sale; and game concessions. The main project of the organization, performed annually, was to sponsor a project to buy some useful teaching aid for the commercial department. Helge Rinholm, foreign Exchange student, spoke of Norwegian schools and displayed samples of his school publication at an informal meeting. The Commercial club promoted an interest in commerce which will profit its members long after high school.

One of the largest clubs at William Chrisman is the Future Teachers of America. Its purpose is to interest students in the various fields of education and to encourage them to enter the teaching profession.

The activities of the club are numerous. The principal one is the annual "Visitation Day" when members are given an opportunity to visit and do practice teaching in the elementary schools of Independence. This year the club has sponsored a dance, a candy sale, "Observation Week" which is held at Ott grade school and attendance at the Missouri State Teachers Meeting.

At the close of the year, a \$100 scholarship is awarded to the most promising senior in F.T.A. who is planning to become a teacher.

The officers have been president, Jane Bracht; vice-president, Sherri Minton; secretary, Kathy Carpenter; treasurer, Kay Johnson; reporter, Donna Boone. Mrs. Florence Brush is the sponsor.

## Girls strive toward domestic finesse

New horizons are represented as an integral part of the organization's goal. Judy Sanders, Marilyn Jacobs, Donna Shouse, Nancy Taff and Diane Chaney exhibit the emblem of this national organization.

Future Homemakers of America strive to become accomplished in domestic skills. Mrs. Mary Robinson and Mrs. LeAnna Tedrick directed them and added their experience to the manifest values of practice. Color coordination, appropriateness of style and other fine points were learned, as well as the essentials of meal planning, cooking and serving.

Officers this year were: president, Diane Chaney; vice-president, Judy Sanders; secretary, Donna Shouse, treasurer, Nancy Taff.

To broaden their scope in homemaking an educational trip was taken. Money-making projects were held to sponsor this trip.

The aim of the William Chrisman Division I Science club is to advance interest in science and to acquaint members with the career opportunities offered in the scientific field.

To further this goal, the members of the club have taken field trips to the James A. Reed Wildlife Area, to Midwest Research Institute and other scientific industries. These activities were supplemented with lectures by guest speakers. A Christmas party and a candy sale for the purpose of raising money were among the year's projects.

Officiating for the club were: president, Allan Doty; vice-president, Danetta Austin; secretary-treasurer, Judith Hurshman; reporter, Charles Zerr.

Mr. Braley was invited to lecture on the interdependency of music and art. Admission to this honor society is obtained through maintaining an "S" average in all music courses and an "M" average in all other courses. The applicant must possess an excellent character and must be recommended by the faculty.

After reception of his membership invitation, the applicant becomes an apprentice member. As an apprentice, he is required to give a solo performance and pass a written exam to familiarize him with the goals of the national organization. Serving as this year's officers are: president, Dick Kramer; vice-president, Rogene Fike; secretary, Joan Pyper; treasurer, Evelyn Fry; and historian, John Johnston. The sponsor is M.O. Johnson.

Sponsored by Mrs. Barbara Eichhorn, the National Art Honor society of William Chrisman serves as an inspirational force that constantly raises the standard of accomplishment and expedites greater effort. To obtain membership in this organization, a prospective member must submit ten pieces of art work to be judged and upon approval of this work the person is initiated at a formal ceremony. The formal induction exercises are held in May in conjunction with the art exhibit at which time awards are given for outstanding achievement. Other activities during the year have included: doing commercial art work, adding to the school's facilities for displaying work and exhibiting art work in the halls. Temporary officers for this honor society are: president, Marnita Crookston; secretary John Brinton.

National Forensic League is an honor society for which speech students must qualify. Entry to the organization is awarded when a specified number of points have been earned. Such points may be earned by activity in speech work; speaking in assemblies, dramatic participation in tournaments. However, most members of the William Chrisman chapter gained their points by participating in debates.

Activities begin early in the fall with the annual speech play. The profits of this play are utilized in financing the debaters' trips to various tournaments. During the year, between twelve and fourteen such tournaments are attended in preparation for the State tournament in the spring. These tournaments include debate, interpretation, oratory and extemporaneous speaking as their main events.

Success in the State tournament is followed by the National tournament, usually in June. The debate team of last year won the sweepstakes at this tournament; and Miss Margaret Meredith, N.F.L. sponsor and speech teacher, was named debate coach-of-the-year.

Displaying the various trophies won by the debate team are: Sherri Allen, Mary Pat McConnell, Jim Johnston, David Horne, John Johnston and Dick King.

Ralph Beckman, Donna Boone and Sherri Allen, members, orient Barbara Ellis and Marily Kinser, initiates with the meaning and the importance of Quill and Scroll.

Quill and Scroll, the International Honorary society for high school journalists encourages and rewards individual achievement in journalism and its allied fields. It is an honor society, and has active participation in raising the standards of high school journalism.

The selective membership of the organization demands that students be of junior or senior classification, in the upper third of their class scholastically, have completed outstanding work in journalism, be recommended by the publications adviser and be approved by the secretary-treasurer of the society. Membership in the society is a cherished goal for all members of the publication staffs.

Miss Sarah Ellen Campbell, publications adviser, sponsors the William Chrisman chapter of Quill and Scroll. Officers elected for this honor society are president, Donna Boone; vice-president, Ralph Beckmann; secretary-treasurer, Sherri Allen.

Principal activities for the year are the formal initiation in conjunction with National Honor society and participation in the annual publications dinner.

## Thespians advance dramatic standards

Placing orders for Thespian pins with treasurer, Joan Pyper, are: Charlotte Norman, Cheryl Slusher and John Witherspoon.

In 1943 the National Thespian society was organized at Chrisman for those students who have worked on school theatrical productions. These students receive points based on their dramatic activities. The purpose of the society is to promote and raise the standards of dramatics in the school. After a student has become a member he continues to increase his points by continual service in dramatics.

The officers: president, John Witherspoon; vice-president, Phylis Weeks; secretary, Charlotte Dieckman and treasurer, Joan Pyper strived to attain their goal for the dramatic activities of the school.

Coke parties, one-act plays and a trip to the Regional convention in St. Louis were the main activities of the club. The coke parties were held for the casts of all of the speech productions of both divisions.

Holding the Menorah and prayer book, Mike Soper leads John Newhouse, Phylis Weeks, David Horn, Kay Johnson, Libby Johnson, Nick Burge and Cheryl Slusher in the Hanukkah ceremony.

Sherri Allen and John Newhouse clutch each other in fear as they hear Hitler's green police on the streets below.

After the war, Mike Soper, Jackie Boetjer and Ron Morman read Anne's dairy of the years in the attic apartment.

## Diary of Anne Frank

Produced as the 1960-61 speech play was *The Diary of Anne Frank*. Miss Margaret Meredith directed the play which raised money for the tournament trips made by the debate teams.

Telling the story of a young girl's two years spent in an attic hideaway, in refuge from the green police, the Nazis, Anne Frank describes many human emotions: love, hate, compassion, anger and fear. Fear ran throughout the story, prevailing in the thoughts and actions of all the characters.

The Franks, a Jewish family, were living in the attic for protection from the Nazis. Shortly another family and another man moved in, for there was little room anywhere for a Jew. Tension and taut reflexes were strained from the closeness of the living quarters. The group held the joyous ceremony of Hanukkah, though they were fearful of the Nazis. Soon Anne and Peter Van Daan fell in love and sought consolation in each other. The Nazis came — and only Mr. Frank survived the war. Sherri Allen and Cheryl Slusher were double-cast in the role of Anne; the other members of her family were: Mike Soper as Mr. Frank, Kay Johnson as Mrs. Frank, Libby Johnson as Margot, her sister. David Horn as Mr. Van Daan, Phylis Weeks as Mrs. Van Daan and John Newhouse as Peter composed the second family. Ronald Morman as Mr. Kraler, Nicky Burge as Mr. Dussel and Jackie Boetjer as Miep were other members of the cast.

Student directors for the production were Chris Fullerton and Johanna Tousley.

As Joye Williams paints and pouts, Judy Hurshman, Phylis Weeks and Nancy Beeney listen appreciatively to Gerald Webb and Jerry Lund, musicians of the Cloisters.

## The Curious Savage

Virginia Ingram and Ed Mitchell converse with their patient, Donna Boone during her period of adjustment soon after her arrival at the Cloisters.

John Witherspoon writes a retraction of his mother's commitment as his sister and brother, Charlotte Norman and Gary Horner, wait with greed to learn the whereabouts of the Savage fortune.

A comedy with thought behind it, *The Curious Savage*, was the 1961 senior play. It presents a sharp contrast from a world dominated by greed in the receded world of the Cloisters, a selective mental institution in upstate Massachusetts. Five inmates, played by Jerry Lund, Nancy Beeney, Gerald Webb, Judy Hurshman and Joye Williams, represented the inner world. Mrs. Savage, a role shared by Phylis Weeks and Donna Boone, and the hospital staff composed of Virginia Ingram and Ed Mitchell form the bridge from the insane to the sane world in which Gary Horner, Charlotte Norman and John Witherspoon, the Savage children, are a part. Throughout the play there is strife between the two worlds, and, as Dr. Emmett says, "I find it harder every day to say just where reason ends and madness begins."

Five and a half weeks of arduous work culminated in three nights of entertainment for students and members of the Independence community. The direction of Miss Dorothy Bierbaum made this entertainment possible.

M. O. Johnson directs his band as it plays "Cranberry Corners, U.S.A." Their costumes indicate that they are also accomplished chefs.

Picking up the beat was a combo band composed of Jim Schooler on the drums, Frank Brown on the Bass, Sandy Williams on the flute

## Band members gambol and frolic

With the aid of David Horn, master of ceremonies, an interplanetary host, the twelfth annual William Chrisman band show got off to a rousing start Friday, January 20. The theme was "Around the World with Music."

The Elementary Schools Honors Band, a group of outstanding fifth and sixth graders, under the direction of Mr. John Conrick, played "The American Patrol" and "Manhattan Beach, March."

The a cappella choir, directed by Mr. Gene Kelsay and accompanied by Kay Johnson and Sherry Mesle, presented selections from the Broadway show, "The Sound of Music." The choir also sang "Since All Is Passing." The fine musical program was enjoyed by a large audience of faculty, parents and interested students.

Kenny North, Charles Slayden and Bob Livesay, saxophone trio displayed their musical ability by playing "The Three Debonnaires."

and Gene Ann Baade on the piano. They played "Not from Dixie," an excerpt from Peter Gunn.

Space woman, Terry Jackson, entertained the audience with a twirling act executed by a lighted baton. True to her attire and name, lights were installed in the toes of the shoes to add to the effect of the performance.

## at "Around the World" band show

The percussion section of the band who had instruments ranging from a collection of bowls to a plumber's friend presented "Variations on a Kitchen Sink." The band, after a brief interval of closed curtains and secrecy, appeared decked out in aprons and chefs' regalia for the numbers, "Cranberry Corner, U.S.A." and "Varia-

tions on a Kitchen Sink." Included in the percussion section are: Jim Schooler, Shirley Bessemer, Jane Bracht, Alan Austin, Gerri Dugger, Joan Pyper, Cheryl Pimblott, Paul Kilpatrick, Wilford Winholtz and Lyle Tiberghien.

Mrs. Nita Bendet reads the daily bulletin over the intercom as students, Jim Johnston, Doris Chapple, Kay Johnson and Jeanne Allen await their turn at the microphone. Students and faculty members are kept well informed of the current happenings at Chrisman by the reading of the daily bulletin and student-read announcements at the beginning of third period each day. Special announcements are made whenever the need arises.

## Chrisman's modern facilities expedite

Fourth period each day at Chrisman is an important one as it is the time when students enjoy a brief respite from their search for knowledge by eating and visiting. They eat during three shifts of

25 minutes each. Four-hundred students have their hunger satisfied each shift.

Food lines in the cafeteria run smoothly as the students have the choice of a plate lunch for one and a la carte service for the other.

Lunch time is enjoyable as the cafeteria personnel provide good food and pleasant service for students and faculty members.

## eating and communicating processes

Cheerleader Gay Doubledde and varsity basketball player Bob Hinde have their eyes on the victory sign in the office window. Their wish was granted as the Bears defeated Lee's Summit, Lafayette and North Kansas City. Defeating Lafayette and North Kansas City was especially important as Chrisman's lead in the Pony Express conference was maintained. The Activities committee of student council placed the poster in this prominent location for all to see.

# Honor achievements

Five girls in Journalism I classes brought home the traveling trophy from the ninth annual Greater Kansas City area publications conference held September 24, 1960 at the University of Kansas City. They accumulated 15 points which gave them a two point lead over the second place winner, North Kansas City.

Mary Garrison and Chris Fullerton placed first in two categories of newspaper writing, while Pam Richardson, Sharon Hieronymus and Linda Willard took three firsts in writing various types of yearbook copy.

Mary won her honor by writing a news story; Chris in advertising; Pam in writing yearbook body copy; Sharon in yearbook headline writing; Linda in yearbook cutline writing.

S. Hieronymus and L. Willard hold the journalism trophy for P. Richardson, M. Garrison and C. Fullerton to admire with them.

S. Minton and M. Soper examine the plaque on which their names are engraved with other outstanding seniors.

Mike Soper and Sherri Minton, seniors, were named outstanding boy and girl at William Chrisman in honor of Youth Appreciation week, a project sponsored by Optimist International.

November 14—18 was declared Youth Appreciation week. Special projects were undertaken in connection with the observance. Wednesday, November 16, Dick King, an outstanding junior debater and orator spoke at the regular Optimist club luncheon to initiate the proceedings for Youth week.

Thursday, November 17, was declared Youth in Government day with students taking over as city officials with the cooperation of Mayor William H. Sermon.

Friday, November 18, Spark Arnold and Dennis Garrison, co-captains of the William Chrisman Bears, accompanied Don Benton, Independence Optimist club president to the Greater Kansas City Optimist club luncheon at the Pickwick Hotel.

The week-long observance terminated Friday evening, November 18, with a youth rally and dance. Emma Jo Robinson, senior, was crowned queen at this time. She was selected by the student body for the honor. Her attendants were Charlotte Dieckman, senior, and Sandy Phillips and Carol Luther, juniors. Outstanding youth and youth organizations were recognized at this rally.

It is apparent that the debaters have plenty of supporting evidence for their case.

## Persistent practice develops winners

Carol Ryan, Carol Allish, Judy Travostino, Barbara Ellis, John Van Camp, Nancy Brown, Judy Harrington and Georgia Grcham plan and draw page layouts for the 1961 Gleam.

## Yearbook staff records 60-61 history

During the past two years, members of the 1961 yearbook staff have been planning and editing the 1961 yearbook. Training in yearbook procedure and proper methods was first required. When essential principles of form were learned, work on the yearbook itself began. The members were assigned specific tasks for which they were to be responsible. The portions on which respective members worked were: introductory section, S. Allen

and C. Norman; administration section, N. Brown and C. Allish; class section, G. Graham, J. Harrington and C. Ryan; activity section D. Chapple.

Departments section, N. Etter and M. J. Cahoon; sports section, J. Van Camp and J. Witherspoon; copywriting, J. Travostino and B. Ellis; typists, G. Elliott, N. Brown, D. Chapple and S. Allen; index, C. Norman.

Sherri Allen, Charlotte Norman, Gail Elliott, John Witherspoon, Doris Chapple, Mary Jane Cahoon and Namar Etter prepare pictures for pages for the first deadline.

Donna Boone and Helen Montgomery type copy for the **Envoy** as Ronnie Beal and Sharon Gibson write stories for the second page. Donna is Editor-in-Chief, Helen fifth page editor and Ronnie and Sharon second page editors.

## Newspaper staff brings bi-weekly news

**Envoy** staff members prepare the copy for the bi-weekly paper. This includes gathering news, writing the copy, copyreading and writing headlines. When the galley proofs are returned by the printer, the staff pastes the proofs on their various pages to make the page layout for the printer.

The **Envoy** staff members are seniors who have learned the techniques of newspaper writing and production during their junior year. They prepare a more detailed history of the school year. They also learn business methods by selling subscriptions and advertising to finance the paper.

Karen Johnson copyreads **Envoy** copy as Ralph Beckman, Rita Hayes and Joe Higgins type copy for their respective pages. Karen is third page editor, Ralph first page editor, Rita fourth page editor and Joe sixth page editor.

**FRONT ROW:** A. Kenley, S. Butler, C. Burke, D. Heflin, L. Pendergraft. **SECOND ROW:** E. Anson, K. Smith, L. Rice, A. Bennion, L. May. **THIRD ROW:** F. Soper, N. Saunders, D. Lang, M. Jacobs, M. May, N. Sanders.

These office helpers prove to be helpful aid's in the office during the busy day at division II. Their duties encompass collecting attendance cards, recording

the cafeteria count from each homeroom, delivering messages to faculty and students and executing the many other obligations of a school office.

## Student assistance eases office load

Nancy Brannock, Sharon Kerr, Mike Russell, Bill Adams, Roy Dodson, and Carl Pohnert perform necessary duties as office help at Division I to aid in keeping the busy schedule at Chrisman moving smoothly. Their duties include collecting attendance cards, alphabetizing cards and placing them on the

board, tiling attendance cards in teachers' boxes, delivering messages to students and teachers, showing visitors to destination, helping record attendance and tardies, filing admission and tardy slips and performing the varied duties necessary from time to time.

Yearbook I students learning the techniques of yearbook production are: **FRONT ROW:** Janet Sutton, Charles Slayden, Larry Henson, Sally Hart, Marcia Kirtley. **SECOND ROW:** Alexis Petrovic, Pam Richardson, Sherri Clifton, Sharon George. **BACK ROW:** Kenneth Morford, Linda Willard, Charles Yates, Shirley Wilson, Sharon Hieronymus. Yearbook I students also help finance the yearbook by selling sub-

scriptions to the annual, ring orders and underclassmen pictures. After learning the techniques of yearbook production, the first semester, each student plans a complete dummy for an annual during the third quarter.

The fourth quarter, staff members plan and execute many of the details of their yearbook for the coming year.

## They learn journalistic techniques

Newspaper I students count money collected for *Envoy* subscriptions and write receipts for subscribers. This is just one of many duties learned and performed by them. Class members pictured are: **FRONT ROW:** Judy Rosenbaum, Jeanne Allen, Marilyn Kinser, Cissy Jett. **SECOND ROW:** James Carter, Jerry Cope, Jim Oshel, Sandy Phillips. **BACK ROW:** Dennis Crull, Chris Fullerton, Carolyn Creel, Jim Sheetz,

Mary Garrison, Cheryl Rogers. James Carter, Jerry Cope, Sandy Phillips, Dennis Crull and Jim Sheetz dropped from class. Ronnie Hancox entered the class the second semester. Newspaper I students study and learn the correct method of editing a school paper. They gain business experience by selling subscriptions and advertising.

# Thanks for the Memories

Thanks for the memories  
Of crowds in Chrisman halls,  
Lockers much too small,  
Though we've complained about them  
Now we'll miss them all in all,  
So thank you so much.

Thanks for the memories  
Of friendships we have gained,  
Terms we have acclaimed,  
Honors and achievements  
That our classmates have attained,  
Oh, thank you so much.

Weekends brought games  
And cheers and laughter  
Each summer was spent  
In work or play,  
Tournaments and dances and assemblies  
We've had fun at Chrisman.

So, thanks for the memories —  
The senior dance and plays  
Now graduation day,  
Our high school days are ended,  
And we must be on our way,  
So farewell to you.
